## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### A. ECONOMIC OVERVIEW

#### 1. Global Economy

Global economic conditions are beset by heightened uncertainty as financial conditions remain volatile and financial markets are on edge. A generalised surge in global inflation triggered synchronously hike in interest rates by central banks across the world. According to the International Monetary Fund (IMF), successive increase in interest rate and the pulling back of liquidity slowed the growth from 6.2 per cent in 2021 to 3.4 per cent in 2022.

For emerging market economies (EMEs), the outlook appears even more uncertain as they look back at a year of lingering pandemic woes, surging food and energy prices and even shortages, unsustainable debt overhangs and repeated incidence of global spillovers that brought in their train volatile capital flows and generalised risk aversion.

#### 2. Domestic Economy

In this turbulent global economic environment following the successive waves of the COVID-19 pandemic and war in Ukraine, Indian economy exhibited robust resilience in 2022-23 and recorded a growth of 7.0 per cent, the highest among major economies in the world. India's merchandise exports touched US\$ 450.4 billion during 2022-23, which is 6.7 per cent above the previous year's record level. Non-banking financial companies (NBFCs) maintained robust credit growth during 2022-23, supported by the broad-based revival in economic activity and targeted policy initiatives. The sector strengthened its financial soundness during the year through robust capital buffers, improved asset quality and consolidation of balance sheet. A scale based regulatory framework was implemented for NBFCs during 2022-23.

India has emerged stronger and more resilient from the pandemic, partly due to the wave of digital transformation. Transactions routed through digital modes recorded a marked expansion in 2022-23 over and above the strong growth witnessed a year ago. In 2022-23, total digital payments recorded growth of 57.8 per cent and 19.2 per cent in volume and value terms, respectively, on top of growth of 63.8 per cent and 23.1 per cent, respectively, in the previous year. The Reserve Bank released the Payments Vision 2025 during the year with the theme E-Payments for Everyone, Everywhere, Everytime promising to further elevate India's payment systems to empower every user with safe, secure, reliable, accessible, affordable and efficient payment options. India is one of the fastest growing major economies and is currently ranked as the world's fifth largest economy.

To commemorate 75 years of independence (Azadi Ka Amrit Mahotsav), 75 Digital Banking Units (DBUs) were set up in 75 districts of the country to catalyse the adoption of digital modes of doing banking transactions in the country. These 75 DBUs were dedicated to the service of the nation by the Hon'ble Prime Minister

on October 16, 2022. As on March 31, 2023, there were 84 DBUs functioning across the country.

Like many other economies, India also experienced a surge in inflation during 2022-23 and overall, headline inflation increased to 6.7 per cent in 2022-23 from 5.5 per cent in 2021-22.

As inflation spiked, the Monetary Policy Committee (MPC) sensed that the near-term inflation outlook would deteriorate sharply amidst geopolitical tensions, and therefore, cumulatively increased the policy repo rate by 250 bps during 2022-23 from 4.00 per cent to 6.50 per cent, to keep inflation expectations anchored.

### B. INDUSTRY STRUCTURE AND DEVELOPMENTS – CAPITAL MARKET

Global macroeconomic uncertainty, unprecedented inflation, monetary policy tightening, volatile markets, etc., resulted in hurting investor sentiments, leading to a downbeat performance of global capital markets in FY23. Though global macroeconomic and financial market developments exercised some influence on Indian capital markets, India's capital market had a good year, overall.

Although the year so far has been lacklustre in terms of **fund mobilisation** through IPOs, the number of SMEs coming out with public offer has been quite encouraging. This year also witnessed the largest IPO ever in the history of India. In May 2022, the Central Government diluted its stake in the Life Insurance Corporation (LIC) of India and listed it on the stock exchanges, thereby making LIC's IPO the largest IPO ever in India and the sixth biggest IPO globally of 2022. Listing of LIC accounted for more than a third of resources mobilised in the primary equity market until November 2022.

During the year, global stock markets declined because of geopolitical uncertainty. On the contrary, the Indian stock market saw a resilient performance, with the blue chip index Nifty 50 registering a return of approx. 3.7 per cent during the same period. Even among major emerging market economies, India outperformed its peers.

**Equity derivatives** volumes recorded a considerable jump, reflecting the drifting interests of individuals and proprietary traders away from the equity cash segment to the equity derivatives segment. Driven by the uncertainty prevailing across the globe, currency and commodity derivatives volumes too increased during the same period.

During the year under review, **Mutual Funds** witnessed significantly lower net inflows than last year. However, during the same period, some schemes comprising growth/equity oriented schemes and solution-oriented schemes observed significantly higher inflows than in the previous year. On the other hand, income/debt-oriented schemes and hybrid schemes recorded outflows compared to inflows in the same period of the previous year. Outflows from liquid funds and hybrid schemes were mainly affected by increasing interest rate cycles, liquidity requirements and advance tax commitments by corporates. Despite that, the mutual fund industry's assets under management (AUM) grown by 6.79% compared to April 2022, on YOY basis.

## C. FINANCIAL PERFORMANCE

The figures stated in financial statements reflects as total income includes only interest income, dividend income, Net gain on fair value changes of mutual funds, profit/loss on trade of mutual funds and Net Profit/loss in Equity derivative trading/Share Dealing. To fully understand the performance of the Company, members are requested to look at the increase in "Other Equity" shown in the balance sheet. Members will note that the Other Equity of the Company has increased to Rs. 1608.42 lakhs in 2022-23 from Rs. 1568.83 lakhs in 2021-22. The Company's total equity (Equity Share Capital and other equity) has become Rs. 1,946.46 lakhs.

## D. SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Company is engaged primarily in the business of investment and accordingly there are no separate reportable segments.

## E. FUTURE PROSPECTS AND OUTLOOK

The Company is making all efforts to accelerate the growth of its business. In spite of the market risks faced by Company, Management of the Company is optimistic about the future prospects of the Company.

As a NBFC, The Company's growth and profitability are dependent on the functioning of Capital Markets. The Company expects a favourable market in the years to come. The Company on its part is also well poised to seize new opportunities as they come.

## F. OPPORTUNITIES & THREATS

### Opportunities:

- India's Growth Rate
- Financial Inclusion
- Increased retail participation in capital markets
- Announcement of Buy-back, Bonus issue and mergers of listed entities.

### Threats

- Russia's invasion of Ukraine
- Inflationary pressures and economic slowdown
- Fiscal deficit and current account deficit
- Protectionist policies by developed economies.

## G. RISK MANAGEMENT

Risk Management is an on-going process. Effective risk management is therefore critical to any organizational success. Globalization with increasing integration of markets, newer and more complex products and transactions and an increasingly stringent regulatory framework has exposed organizations to and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. The sustainability of the business is derived from the following:

- a) Identification of the diverse risks faced by the Company.
- b) The evolution of appropriate systems and processes to measure and monitor them.
- c) Risk Management through appropriate mitigation strategies within the policy framework.

- d) Reporting these risk mitigation results to the appropriate managerial levels.

There is the risk of loss from credit defaults or failed systems, processes or procedures. These may be attributed to human failure or technical problems given the increase use of technology and staff turnover. Our Company has placed suitable mechanisms to effectively reduce such risks. All these risks are continuously analysed and reviewed at various levels of management.

## H. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has robust internal controls systems (including Internal Financial Controls) that ensure that transactions are properly authorised, recorded and reported, apart from safeguarding its assets and timely preparation of reliable financial and management information. The internal control system ensures compliance with all applicable laws and regulations facilitates optimum utilization of resources and protect the Company's assets and investors' interests.

The Company's well-defined organizational structure, documented policy guidelines, defined authority matrix and internal controls ensure efficiency of operations, compliance with internal policies and applicable laws and regulations as well as protection of resources.

The Company has a vigil mechanism/ whistle blower policy to address fraud risk. The Audit Committee of the Board regularly reviews significant audit findings of the Internal Audit system covering operational, financial and other areas.

## I. HUMAN RESOURCES

The Company continues to give priority to its human assets. The Company is providing an equal opportunity to all the employees to utilize their full potential and grow with the organization. ## INDEPENDENT AUDITOR'S REPORT

To the Members of  
Bharat Bhushan Finance & Commodity Brokers Limited

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying Financial Statements of **Bharat Bhushan Finance & Commodity Brokers Limited ("the Company")**, which comprise the balance sheet as at 31<sup>st</sup> March 2023, the statement of profit and loss (including other comprehensive income), statement of cash flows and the statement of changes in equity for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2023, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

### Basis of Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Key Audit Matters

We have determined that there are no key audit matter to communicate in our report.

### Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors report to be included in the Company's Annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the

other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the

financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance,

we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the **Annexure 'A'** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to **Annexure 'B'**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company did not have any pending litigations which would impact its financial position
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March, 2023
- iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company to or in any other person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts using accounting software which has a feature of recording audit trail

(edit log) facility is applicable to the company with effect from 01.04.2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

- (h) With respect to the matter to be included in the Auditor's Report under section 197(16):

The Company has not paid any managerial remuneration for the year ended 31st March, 2023 to its directors.

**Annexure – A to the Auditors' Report**

The annexure referred to in Independent Auditor's Report to the members of **Bharat Bhushan Finance & Commodity Brokers Limited** on the financial statements for the year ended on 31<sup>st</sup> March, 2023, We Report that:

1. a. (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. The Company does not have any right of use assets.  
(B) The company does not have intangible assets.
- b. As explained to us, the management during the year has physically verified the Property, Plant and Equipment in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such physical verification.
- c. The Company does not have any immovable property.
- d. The Company has not revalued any of its Property, Plant and Equipment during the year.
- e. There are no proceedings initiated or are pending against the Company for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
2. a. As explained to us, inventories (Investments) have been physically verified by the management at reasonable intervals during the year. As explained to us the discrepancies noticed on physical verification of inventory as compared to the book records were not material.
- b. No working capital limit has been sanctioned and availed by the Company. Hence, the reporting requirement of para 3(ii) (b) of the order is not applicable to the Company.

3.
  - a. Since the principal business of the Company is to give loans, the reporting requirement of para 3(iii)(a) is not applicable.
  - b. During the year the investments made are not prejudicial to the Company's interest. During the year, the Company has not given any loan or not provided any guarantee.
  - c. The company has not provided any loans or advances in the nature of loans or advances during the year. Accordingly, the requirement to report on clause 3(iii)(c)& 3(iii)(d) of the Order are not applicable to the Company.
  - d. Since the principle business of the Company is to give loans, the reporting requirement of para 3(iii)(e) is not applicable.
  - e. The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
4. In our opinion and according to the information and explanations given to us, the company has complied with the provision of section 185 and 186 of the Act, with respect to the investment made, to the extent applicable to the Company. As per the information and explanation given to us, the Company has not given any loan nor given any guarantee or provided any security in connection with a loan to any other body corporate or person.
5. The Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
6. The nature of the company's business/activities is such that maintenance of Cost Records under section 148(1) of the Companies Act, 2013 is not applicable to the company.
7.
  - a. According to the records of the Company, undisputed statutory dues including Goods and Service Tax, Provident Fund, Employee's State Insurance, Income Tax, Customs Duty, Excise Duty, Value added tax, Cess and other statutory dues to the extent and as applicable to the company have been generally regularly deposited by the company during the year with the appropriate authorities. However, there are some delays in few cases and also non deposit of advance tax instalments. #### **Annexure – B to the Auditors' Report**

**Report on the Internal Financial Control under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Bharat Bhushan Finance & Commodity Brokers Limited** ("the Company") as of 31<sup>st</sup> March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013,

to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of

the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of the financial statements for the year ended 31 March 2023****1. Company Information / Overview**

Bharat Bhushan Finance & Commodity Brokers Ltd. ("the Company"), incorporated and domiciled in India, having its registered office at 503, Rohit House, 3 Tolstoy Marg, New Delhi-110001. The company is a Non-systematically important Non Deposit Taking, Non Banking Financial Company ("NBFC") as defined under Section 45- IA of the Reserve Bank of India ("RBI") Act, 1934. Equity share of the company are listed on Bombay stock exchange.

**2. Basis of preparation of financial statements.****(A) Compliance with Ind As**

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

**(B) Presentation of financial statements**

The Balance Sheet, the statement of Changes in Equity and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind AS. The statement of Cash Flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

**(C) Basis of preparation**

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair values at the end of each reporting as explained in the accounting policies below.

**(D) Use of estimates and judgements**

The preparation of financial statements in conformity with Ind AS requires managements to make estimates, judgements and assumptions that effect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognised in the periods in which the company becomes aware of the changes in circumstances surrounding the estimates.

**3. Significant Accounting Policies****3.1 Financial Instruments****A) Initial Recognition and measurement**

All financial assets and financial liabilities are recognised when the company become a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

**B) Classification and Subsequent measurement of financial assets-**

The company classifies its financial assets into various measurements categories. The classification depends on the contractual terms of the financial assets' cash flows and the company's business model for managing financial assets.

**a. Amortised Cost**

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b. FVOCI- debt instruments**

A debt instruments in nature of financial asset is measured at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**c. FVOCI- equity instruments**

Equity instruments in nature of financial assets are measured at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

**d. FVTPL**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

**Subsequent Measurement of financial assets**

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

**C) Financial Liabilities and equity instruments****Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

**Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

**Financial Liabilities**

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

**D. Derecognition****Financial Assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

**Financial liabilities**

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.

**E. Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

**F. Impairment**

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

**3.2 Cash and cash equivalents**

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

**3.3 Property, plant and equipments (PPE)**

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Advances paid towards the acquisition of fixed assets, outstanding at each reporting date are shown under other non-financial assets. The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work-in-progress.

Subsequent expenditure related to the asset are added to its carrying amount or recognised as a separate asset only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

The estimated useful lives used for computation of depreciation are as follows:

Particulars	Useful life
Furniture & fixture	10 years
Office equipment	5 years
Server and networking	6 years
Computer	3 years
Building	30 years
Vehicles	8 years

Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

#### 3.4 Intangible assets :

Intangible assets comprises of computer software which is amortized over the estimated useful life. The amortization period is lower of license period or 36 months which is based on management's estimates of useful life. Amortisation is calculated using the straight line method to write down the cost of intangible assets over their estimated useful lives.

#### 3.5 Impairment of assets other than financial assets :

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cashgenerating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cashgenerating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.

#### 3.6 Provisions :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

### 3.7 Employee Benefits :

#### A) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### B) Contribution to provident fund and ESIC

Company's contribution paid/payable during the year to provident fund and ESIC is recognised in the Statement of profit and loss

#### C) Gratuity

The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss.

#### Remeasurement gains/ losses-

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

Remeasurement gains or losses on long-term compensated absences that are classified as other long-term benefits are recognised in Statement of profit and loss.

#### D) Leave encashment / compensated absences

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

### 3.8 Revenue recognition

#### A) Recognition of interest income on loans

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the Statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer creditimpaired, the Company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

#### B) Rental income :

Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

**C) Fees and commission income :**

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

**D) Dividend and interest income on investments :**

- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.
- Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

**3.9 Finance costs**

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

**3.10 Taxation - Current and deferred tax:**

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

**A) Current tax :**

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

**B) Deferred tax :**

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

**3.11 Leases****As a lessee**

The Company has applied Ind AS 116. For these short term and low value leases, the company recognizes the lease payments as an expense in the Statement of Profit and Loss on a Straight line basis over the term of lease.

**3.12 Exceptional items**

When items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

**3.13 Earning per share**

The Company reports basic and diluted earnings per equity share. Basic earnings per equity share have computed by dividing net profit/loss attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year. Diluted

earnings per equity share have been computed by dividing the net profit attributable to the equity share holders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

**3.14 Recent accounting development**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standard) Amendments Rules, 2023, as below:

- a) -Ind AS -1 Presentation of Financial Statements - This amendments requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date of adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendments and the impact of the amendment is insignificant in the financial statements.
- b) -Ind AS - 8 Accounting Policies, Changes in Accounting Estimates and Errors - This amendments has introduced a definition of 'Accounting Estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendments is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendments and there is no impact on its financial statements.
- c) -Ind AS 12-Income Taxes-This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

“**Note:** After reporting date, final dividend of 6% i.e Rs 0.6/- per equity share of face value of Rs. 10 each. (for Previous year Rs. 0.6/- per equity share.) was recommended by the Board of directors in their meeting held on 19th May 2022. The dividend has not been recognised as liability.”

#### Description of the nature and purpose of Other Equity:

##### Securities Premium

Securities premium reserve is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

##### Statutory Reserve

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation.

##### Other Comprehensive Income

##### Equity Instruments through Other Comprehensive income.

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

##### Remeasurement gain/ (losses) on defined benefit plan

The Company recognises change on account of fair value of instruments recognised at FVTOCI and tax thereon and remeasurement of the net defined benefit liability/(asset) as part of other comprehensive income.

##### Retained Earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserves.

The Company's principal financial assets include Investments, inter corporate deposits, loans, cash and cash equivalents and other receivables. The Company's activities expose it to a variety of financial risks:

#### I. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments.

The company is exposed to market risk primarily related to the market value of its investments.

#### Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of Financial Instruments will fluctuate because of change in market interest rates. The company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

#### Currency risk

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

#### Equity Price Risk

##### (a) Exposure

"The company is exposed to equity price risk arising from Investments held by the company and classified in the balance sheet as fair value through FVTOCI. To manage its price risk arising from investment in equity securities, the company diversifies its portfolio. The majority of the company's equity instruments are listed on the Bombay stock exchange (BSE) or the National stock exchange (NSE) in India."

##### (b) Sensitivity analysis- Equity price risk

The table below summarise the impact of increase/ decrease of the index on the company's equity and the profit for the period. The analysis is based on the assumption that the equity/ index had increased by 2% or decreased by 2% with all other variable held constant, and that all the company's equity instruments moved in line with the Index.

	Amount (Rs. in Lakhs)	
	Impact on OCI for the year ended 31st March 2023	
	31-Mar-23	31-Mar-22
NSE/ BSE Index - Increase by 2 %	27.89	26.91
NSE/ BSE Index - Decrease by 2 %	-27.89	-26.91

#### II. Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its financing activities towards inter corporate loans where no significant impact on credit risk has been identified.

#### III. Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities.

**33. Fair values**

The management assessed that Fair Values of Financial Assets and Liabilities are approximately their carrying values.

**34. Fair value hierarchy**

The company determines fair values of its financial instruments according to the following hierarchy:

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table presents the carrying value and fair value of each category of financial assets and liabilities as at March 31, 2023:
