**CORAM : Justice Tarun Agarwala, Presiding Officer
Ms. Meera Swarup, Technical Member**

Per : Justice Tarun Agarwala, Presiding Officer (Oral)

1. In this group of appeals, the stock broker license / registration has either been suspended or cancelled. By an interim order we have stayed the effect and operation of the impugned order. During the pendency of the appeals, we had orally instructed the counsel for the respondent to take appropriate instructions as to whether SEBI is considering the possibility of coming out with a scheme under the SEBI (Settlement Proceedings) Regulations, 2018 (hereinafter referred to as the “Settlement Regulations”). By our order dated December 6, 2023, the Tribunal was informed that a settlement scheme was under contemplation by the respondent. Today, Shri Rafique Dada, the learned senior counsel for the respondent contended that SEBI would require atleast another eight weeks to come out with the settlement scheme, if any.

2. We have also been informed that SEBI has also issued around 300 show cause notice to the stock brokers to show cause as to why their license should not be cancelled or suspended. Some orders have been passed against some of the brokers against which appeals have been filed before this Tribunal and others are pending before the quasi-judicial authority.

3. Section 15JB of the SEBI Act provides for settlement of administrative and civil proceedings. For facility, the said provision is extracted here under:-

Settlement of administrative and civil proceedings.

“15JB. (1) Notwithstanding anything contained in any other law for the time being in force, any person, against whom any proceedings have been initiated or may be initiated under section 11, section 11B, section 11D, sub-section (3) of section 12 or section 15-I, may file an application in writing to the Board proposing for settlement of the proceedings initiated or to be initiated for the alleged defaults.

(2) The Board may, after taking into consideration the nature, gravity and impact of defaults, agree to the proposal for settlement, on payment of such sum by the defaulter or on such other terms as may be determined by the Board in accordance with the regulations made under this Act.

(3) The settlement proceedings under this section shall be conducted in accordance with the procedure specified in the regulations made under this Act. (4) No appeal shall lie under section 15T against any order passed by the Board or adjudicating officer, as the case may be, under this section.”

4. The said provision starts with a non-obstante clause, namely, “*notwithstanding anything contained in any other law for the time being in force*”. Where any proceedings have been initiated under the SEBI Act, any person may file an application for settlement of the proceedings. Section 15JB(3) provides that settlement proceedings would be conducted in accordance with the procedure specified in the Regulations. Chapter II provides the procedure for filing ‘Application for Settlement’, Chapter III provides the ‘Scope of Settlement, Chapter IV provides the ‘Terms of Settlement’, Chapter V provides the constitution of a High Powered Advisory Committee which recommends the terms of settlement and Chapter VI provides the ‘Procedure for Settlement’. The procedure envisaged under the settlement rules is thus complicated and at times the terms of settlement becomes stringent.

5. Under Clause 26 of the Settlement Regulations the respondent can frame a scheme. For facility, the said provision is extracted here under:-

Settlement of Schemes.

“26. Notwithstanding anything contained in these regulations, the Board may specify the procedure and terms of settlement of specified proceedings under a

settlement scheme for any class of persons involved in respect of any similar specified defaults.

Explanation.- A settlement order issued under a Settlement scheme shall be deemed to be a settlement order under these regulations.”

6. The aforesaid provision also starts with a non-obstante clause, namely, “*notwithstanding anything contained in these regulations*” that is to say, notwithstanding the procedure provided under Chapter II, III, IV, V and VI the Board could specify the procedure and terms of settlement of specified proceedings under a settlement scheme for any class or persons involved in respect of any similar specified defaults. ‘Specified proceedings’ has been defined under Section 2(f) of the Settlement Regulations, to mean, the proceedings that have been initiated by SEBI under the SEBI Act, Securities Contracts (Regulation) Act, 1956 or Depositories Act, 1996 as the case may be. 300 odd cases have been initiated which are pending. The violation alleged is the same, namely that the brokers are not “fit and proper person”. These entities form a class of persons and are involved for similar alleged violations. Therefore, in our opinion, the Board can specify a procedure and terms of settlement for these classes of persons under Clause 26 of the Settlement Regulations.

7. We are, thus, of the opinion that SEBI should consider and seriously give a thought in coming out with a scheme under Clause 26 of the Settlement Regulations. Such scheme can be a onetime scheme for this class of person. The terms of settlement should be attractive so that it could attract the noticees / entities / appellants to come forward and settle the matter and at the same time would help to clear the backlog of these pending matters before various quasi judicial authorities.

8. Considering the aforesaid, we dispose of the group of appeals directing SEBI to consider and come out with a scheme under the Settlement Regulations preferably within three months from today. If such scheme is framed, the cases of the appellants will be duly considered under the said scheme. Till the disposal of cases of the appellants under the settlement scheme, if any, the interim orders granted upon by this Tribunal will continue to operate.

9. In the event, the scheme is not framed under the Settlement Regulations by SEBI the said decision shall be communicated to all the appellants and thereafter it will be open to the appellants to file a fresh appeal before this Tribunal questioning the earlier order of cancelling or suspending their license / registration. The said appeals may be filed by the

appellants within 4 weeks from the date of the communication by SEBI. The interim order in such a situation will continue to operate for a further period of six weeks to enable the appellants to file the appeals before this Tribunal.

10. The aforesaid order has been passed without going into the merits of the case.
