

Sadan" along the Outer Ring Road of Hyderabad over an area of 10 to 12 acres as a platform for development of welfare of the community. Apart from other facilities the Sadan will have a hostel for students and the Government will also provide scholarships to them for overseas education.

A nine member committee was constituted to oversee the development of the Sadan. Apart from senior officials and the representatives of Brahmin community, the committee also has former DGP K Arvinda Rao and former CM IVR Krishna Rao as the special invitees.

Significantly the state government has already allocated Rs 100 crore in the budget for the welfare of Brahmins and how to utilize these funds has been left to a Bhramin Trust. This is unusual as in case of other communities including the scheduled castes, scheduled tribes and the minorities the question of utilisation of budgetary allocation is left to the department concerned.

Recalling his long association with the Brahmin community, the Chief Minister said that he had got a Bhramin community hall built in his Siddipet town back in 1985. KCR said that he was well aware of the financial difficulties Brahmins face when the religious ceremonies are not held.

All India Executive Council meeting of Rashtriya Swayamsevak Sangh (RSS) has targeted the Left Front Government in Kerala and the Mamata Banerjee Government in West Bengal for "attacks on Hindus" and warned against appeasing the minority communities at the cost of the majority.

The three day Akhil Bharatiya Karyakari Mandal meeting, which began at Annujiguda near Hyderabad on Sunday under the chairmanship of Bhayyaji Joshi, General Secretary of RSS discussed the over all situation of the country and specially the incidents of attacks on RSS cadres by the communists in Kerala and attacks on Hindus by "Jehadi elements" in West Bengal among other issues.

Jessop factory fire acts as Didi smells

SAUGAR SENGUPTA ■ KOLKATA

In a major development the Crime Investigation Department of Bengal Police has summoned Ruia Group boss Pawan Ruia in connection with the incident of successive fires gutting the premises of Jessop and Company at Dum Dum off Kolkata.

Earlier the State Government had slapped non-bailable charges against Ruia who is also said to be the "promoter" of Dunlop India and has major stakes in other tyre factories in South India.

The group also has stakes in rubber and other industries.

Sources in the State Secretariat said the Government was smelling rat in the repeated incidents of fire that was gradually gutting the industry premises arguably worth ₹500-plus crore.

"We have reports not only of fire that is further destroying the already dilapidated facilities but also machines and other properties worth crores are being regularly stolen out of the premises in the dead of night. Hence the FIR," said a Minister.

Ruia who had taken over Dunlop and Jessop a few years ago with the promise of a turnaround and his managerial staff were booked under Sections 427 (mischief, causing damage), 435 (mischief by fire/arson), 436 (mischief by fire/arson), 120B (criminal conspiracy) of the IPC and 11J, 11L (contravention of provisions for safety measures) and 26 (penalty for not taking out license) of the West Bengal Fire Services Act-1950.

He was on Monday issued notice by the CID to appear before it within this week, sources said adding Ruia's fran-
